# BMX

## KISHIWADA OSAKA

### May 21, 22, 2022

Why do not you aim for a gold medal in Kishiwada, the city with the castle closest to Kansai International Airport? Many activities to enjoy Japan! Held for the first time in Asia! Why not aim for the first champion in BMX of the first competition event?

**OVER 30 YEARS OLD CAN ENTER THE COMPETITION**

## BMX Track

Track length : 314.76m Starting Hill : 5m

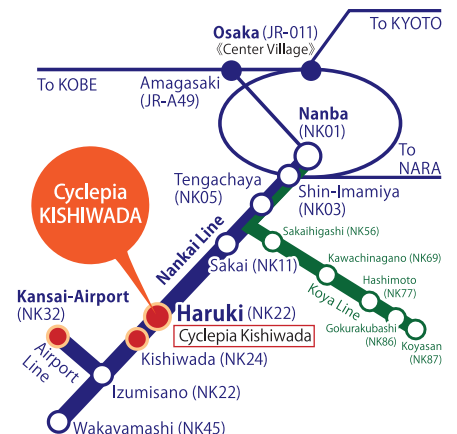

Cyclepia Kishiwada is the first BMX venue in Asia, that also holds domestic competitions.

## Access

Kansai International Airport that operates from all over the world! And the venue is only 20 minutes from the airport.

## About Kishiwada city

Facing the sea and surrounded by mountains, this city is full of seasonal attractions. Additionally, highways have been maintained since the Edo period, and we still have a high traffic convenience.

Kishiwada Castle Garden (Hachijin Garden)

Armor Cosplay

Gofuso Japanese garden

## Food

Shirasu-don

Kishiwada, which has a history and tradition, recommends Japanese food and sake. Since the city faces the ocean, you can obviously get very fresh seafood.

Kashimin-yaki

Local sake

Japanese food

## Your Supporters

Citizens and many volunteers including those who love BMX and bicycles, those who are passionate about the tournament will come together and help you out. We will work all together for the tournament, share the excitement of sports and support you with heart.
